CITY OF COFFEYVILLE
BOARD OF COMMISSIONERS AGENDA ITEM

MEETING DATE	March 22, 2016	
RESOLUTION OR ORDINANCE NUMBER	R-16-55	
AGENDA TITLE	**A Resolution to authorize execution of a Work Authorization to TranSystems Corp. under the existing General Civil Engineering Services Agreement between TranSystems and the City of Coffeyville, to provide engineering and inspection services for curb and gutter replacement and street surface milling and overlay of 9th Street from Camden Street to Willow Street.**	
REQUESTING DEPARTMENT	Public Works/Engineering	
PRESENTER	Chuck Shively, Director of Public Works Thomas Osborn, Supt. of Engineering	
FISCAL INFORMATION	Cost as recommended:	$11,000.00
	Budget Line Item:	520-5-220-868
	Balance Available	N/A
	New Appropriation Required:	[X] Yes [ ] No
PURPOSE	To authorize execution of a Work Authorization to TranSystems Corp. to provide engineering and inspection services for milling and asphalt overlay of 9th Street from Camden Street to Willow Street, including curb and gutter replacement as specified.	
BACKGROUND	The previous City Commission Agenda Item requested authorization of an agreement with Bryant & Bryant Construction for curb and gutter replacement, street surface milling, and asphalt overlay of 9th Street from Camden Street to Willow Street. If authorized that project will require some additional engineering and inspection outside of the scope of the agreement with TranSystems for the CDBG 9th Street projects.	
SPECIAL NOTES		

ANALYSIS	Since the street and sidewalk projects west of Camden Street are primarily funded by CDBG grants, it is critical that we keep all work and costs for this additional project east of Camden Street completely separate from the grant projects. So, rather than issuing an amendment to the engineering agreement for the grant projects, City staff recommends issuance of a Work Authorization to TranSystems Corp. under the existing General Civil Engineering Services Agreement between TranSystems and the City of Coffeyville, for the additional services required.
