Building Together

Our goal is to help individuals in Coffeyville and the surrounding area find a place where they can best utilize their strengths and gifts for the betterment of our community. We have provided a list of organizations that need volunteers, your gifts and your talents. For more information visit us on [Facebook](#).

Together we can better our Community!

We also want to provide a forum for organizations in the community to list their needs and volunteer opportunities to help each organization achieve their mission and goals. If you are not listed in this pamphlet please contact the Coffeyville Chamber and we will gladly add your organization. You can also list your organizational volunteer opportunities and requirements at www.volunteerkansas.org.

There are several key businesses and organizations that make up the fabric of the Coffeyville Community. Each one is able to bring a unique component to this community in its ability to be economically stable. Our community is diverse in nature and has withstood the test of time. Big and small, all businesses and organizations in Coffeyville are instrumental in making our community a place where you will want to visit, live and work.

Our Special Thanks to:

The [Coffeyville Area Chamber of Commerce](#) for all their hard work in the community and the printing of this brochure.

Leadership Coffeyville and all the proud community supporters. Your generosity makes all this possible.

Community Churches

Our community of churches serves many needs in the Coffeyville area for people of all ages. They offer preschool and Vacation Bible School programs for young children as well as many programs for school aged children. Youth groups in the area are often seen busy working on a community project or earning money for mission trips or service projects. Our churches also provide assistance to those who may not be able to meet all of their daily living expenses during the month in the form of food donations or help with utilities through Genesis. Many churches also offer clothing closets or small thrift shops where community members can find clothing and other necessities at a low cost.

Visit the Coffeyville or Chamber webpage for a listing of local churches.

- Enhance your quality of life
- Integrate your volunteerism with the social-media platforms that you use most
- Improve your community

Each year, more than one-third of all Kansans volunteer in some way. Many others remain on the sidelines because they don't feel empowered to get involved or they don't think they have enough time. Others have a tough time finding the right opportunity for them.

At Volunteer Kansas, we make it easier for you to volunteer by matching you with opportunities at respected, well-established organizations throughout the state so you can spend less time looking for a place to volunteer and more time volunteering.
